Cloud services:

It is basically used to handle the cloud storage and data functions carried out in the system technology

IBM Cloud Service:

LAUNCH THE CLOUD TO GET.....

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and user account information. The main content area is titled "Dashboard" and includes a "For you" section with six cards. The first card, "Build", is highlighted in blue and contains the text "Explore IBM Cloud with this selection of easy starter tutorials and services." The other five cards are white with blue headers and descriptions of various services and tutorials. Below the "For you" section, there's a "News" section with three articles. The right sidebar contains three sections: "Recent support cases", "Planned maintenance", and "IBM Cloud status". The bottom of the image shows a Windows taskbar with various application icons and system information.
